BOOK RECOMMENDATIONS

BY OUR PATRONS

Griffin (age 11)

Fablehaven by Brandon Mull is an exciting series. With mythical creatures, secrets, and a looming darkness that's always threatening to release evil and wreak havoc on the world keep me on the edge of my seat. There are so many different characters, it is hard to figure out which is the best. If you want an exciting, suspenseful, fantasy series, then you should probably read this one.
