Google CLASS

Instruction Available

Google Drive

Drive integrates with Docs, Sheets, and Slides, cloud-native collaboration apps that enable your team to create content and collaborate more effectively in real-time!

Google Sheets

Create and edit spreadsheets directly in your web browser—no special software is required. Multiple people can work simultaneously; you can see people's changes as they make them, and every change is saved automatically.

Google Docs

Create and edit text documents right in your web browser—no special software is required. Even better, multiple people can work at the same time, you can see people's changes as they make them, and is saved automatically.

Google Keep

Capture notes, share them with others, and access them from your computer, phone or tablet. Free with a Google account.

Gmail

Email stored safely in the cloud. You can get to messages from any computer or device with a web browser. You can also quickly organize and find important email, as well as read and draft email without an internet connection.
