classes are offered at two
convenient times for flexibility.

Loss of a Friend

Cindy Withem had been with the adult education program for 23 years, long before they were part of the library or the Life-Long Learning Center. She was a fearless matriarch for us, having pioneered the jail GED program before taking over our afternoon class. The number of lives she impacted by supporting them and giving them access to the education they needed to better themselves is well into the hundreds. She was the mentor to all of us, providing insight from her years of experience and always asking the best questions to find out how to best support her students and the program. Her loss is going to be felt in the LLLC and the community for years to come.
